

Obtaining a HIPAA Certificate

HIPAA is a Federal Law that was created to protect patients' rights regarding confidential privileged information. Any person employed by Linguistica International must comply with this law and is required to be HIPAA certified.

The HIPAA online exam is a PowerPoint presentation on the web that explains the rights, laws and responsibilities concerning "Doctor-Patient" confidentiality.

Please go to: <http://hipaatrain.med.utah.edu/cgi-bin/hipaatrain.pl> and follow the instructions to sign-on and take the exam

In the first prompt you need to put a seven digit number, this will be the number 7 plus your phone number, so if your number is 753-7890 then you will put in i.e.: 77537890

In the second prompt put in your name and then proceed to follow directions to take the exam, don't worry if you do not finish the exam, you can always go back and pick up where you left off.

In the third prompt please choose "General"

HIPAA Training
